Principal's Piece

Hello and welcome to Term 4! I hope that you all had a restful break with your children and are prepared for the final term of 2017.

I am very excited to have been appointed to Calliope State School and look forward to the opportunity of working with the Calliope community. Prior to commencing here, I was the Principal at Miriam Vale State School, Aramac State School, Old Yarranlea State and a classroom teacher at Robertson State School in Brisbane. The experiences I have had, working in both the Central Queensland and Metropolitan regions have been very rewarding and I hope to transfer the knowledge I have learnt in my previous schools, to continue to build on the positive growth and outcomes for the students of Calliope State School.

I believe that today's students really are our future, so it is important that we have high expectations for every one of them and ensure they have the best opportunities to succeed in the different stages of their development. Put simply, my expectation is *that every child can and will achieve*.

The learning journey for our children is a shared one between the home, school and local community, so it is important that we work together to support their social, academic and emotional development. To this extent, I encourage you to make contact with your child's teacher as the first point of call, to discuss any matters regarding their schooling or changes to their circumstances, which may impact on their time at school.

I look forward to meeting with our school community throughout the term and encourage you to make contact with myself, the Administration Team or the P&C to share your ideas for the continued enhancement of our school. My email address is mwrig154@eq.edu.au

**Principal,
Mark Wright**
