Principal's Parade – Term 2

Congratulations to our recipients of the Principal's Awards for Term 2.

The Calliope Rotary Club are supporting Calliope School through an Attendance Prize each semester for students who have 98% or better attendance. A name from eligible students was selected for a laptop computer – Congratulations Kiarna Marks! Another laptop will be given away at the end of Semester 2. Nathan Fletcher, Youth Coordinator from Calliope Rotary presented the prizes.

Principal's Piece

Welcome back! It's already shaping to be yet another full term of learning and opportunity at Calliope State School. This week we have students engaged in a range of extra-curricular activities that complement their learning program. We have students involved in the Deadly Australians presentation, Instrumental Music workshops and performances and Regional Shield sports. This is a prime example of the amazing opportunities Calliope State School can provide for students of all interests and abilities.

At the end of Semester One, parents should have received their child's report card (sent home on Thursday 23rd June). I would like to reinforce my message from that week of the importance to use the information within those reports to set clear and achievable learning goals for Semester Two. I have often spoken of the importance of having a growth mindset and philosophy of continual improvement in order to ensure the best possible outcomes and opportunities for success for all students. If you would like to discuss home-based strategies for supporting your child to achieve their potential, please make a time to meet with your child's teacher.

It's an exciting time for Calliope State School as we continue our facilities upgrades and construction programs. This term we should see the completion of the school's Wireless Upgrade Program which will bring wifi into every classroom and learning space in the school. I would like to thank the P and C for their contribution to make this upgrade possible. This is a great example of the great things the P and C does to support learning at Calliope State School. Just a reminder, that the P and C will be meeting tonight at 6:30pm in the school administration building. Your support is greatly appreciated.

Term 3 is always an exciting time for families as we open our prep enrolments for the following year and commence transition programs for our Year 6 students. We have a close partnership with all of our local high schools and work with them to ensure our students and their families are well informed and prepared for the big move into high school. I encourage parents to keep an eye on the weekly newsletters and, if you haven't done so already, like our school Facebook page. These are our two main points of information sharing with our community and information about enrolments, information sessions and transition programs will be disseminated via these platforms.

Finally, I would like congratulate all of Principal's Award recipients from Term 2. It was yet another great event that was brilliantly attended by families and the community. Congratulations to the recipients of the Attendance Award, and particular thanks to the Calliope Rotary Club for their support and sponsorship of the award. There will be another laptop computer up for grabs for students with attendance above 98% with no unexplained absences. Calliope SS has implemented an SMS messaging system to alert parents of absences. Your support in responding to these texts is greatly appreciated. Remember, EVERY DAY COUNTS!

Chappy's Corner

Find Time to Connect

Even if it's just two minutes, stop everything else you are doing, get down to your child's eye level, and put your hand on their shoulder. Look and listen. Reassure your child that you are just interested in what they are saying. Before too long your children will be teenagers, they may no longer prefer your company. Find the most precious trait of each of your children and let them know how much you cherish it. Also, let your child dawdle occasionally.
