

# Investing for Success

## Under this agreement for 2017 Calliope State School will receive

**\$189948\***

### This funding will be used to

- Implement quality literacy and numeracy programs to improve student outcomes in Prep to Year 6.
- To ensure all students in Years 3 & 5 reach or exceed NMS in the areas of literacy and numeracy.
- To provide individual learning programs in literacy and numeracy for those students who do not reach NMS.
- Improve capacity of staff in relation to development of consistent, viable moderated curriculum and Explicit Instruction pedagogical practices.
- Implement enhanced phonics program for Prep- DD Code
- Improve Oral Language in Early Years
- Provide additional wellbeing services and support to students and their families and staff

### Our initiatives include

- Provision of multiple coach/mentor/leaders to support staff and build capacity through co-planning, modelling and feedback processes.
- Integration of KidsMatter and PBL to establish site-specific learning and wellbeing framework to support students, staff and families
- Provision of additional staffing to provide leadership opportunity for pedagogical framework and staff development
- Continuation of Instructional Leadership roles (HOD and Pedagogy Leaders) to staff capability

### Our school will improve student outcomes by

|                                    |          |
|------------------------------------|----------|
| • Head of Department – Curriculum  | \$136000 |
| • Pedagogical Leadership roles     | \$13000  |
| • Learning and Wellbeing Framework | \$10000  |
| • Oral language development        | \$20000  |
| • DD Code                          | \$11000  |

**Jeremy Godden**  
Principal  
Calliope State School

**Dr Jim Watterston**  
Director-General  
Department of Education and Training
