### How Information and Communication Technologies are used to Assist Learning

Calliope State School is very well resourced in terms of ICT hardware with all classrooms equipped with an electronic whiteboard, several computers and a digital camera. Teachers also have access to iPod Touches, iPads, Bee Bots, a robot named Eddy, which can be used for problem solving and programming and a green-screen for digital video creation and editing. The Resource Centre contains a computer lab with full class set of computers and a bank of mobile laptops. Classrooms have access to mobile laptop trolleys which provide more flexible learning options and take up less classroom space. Teaching staff have a high level of expertise in the area of digital learning. The curriculum materials used in classrooms are embedded with digital learning experiences which are explicitly outlined in unit planning. At Calliope State School our intention is that the choice to use digital technologies is as natural as choosing to pick up a pencil to write. Students use the Internet and eBooks as research tools, they record their learning using a wide range of programs and devices such as iPod Touches, and they communicate with classmates, teachers and the wider community using a variety of tools. Many teachers operate virtual classrooms for learning in the classroom and at home. The schools wireless network has been enhanced to support the increased use of technology in our school, with wireless internet access available in every classroom and learning space, effectively creating an “anywhere, anytime” learning platform.

## Social Climate

### Overview

Calliope State School is a Positive Behaviour for Learning (PBL), with the universal values of being Safe, Respectful and Responsible. Expectations for behaviour of all members of the school community are clearly defined, explicitly taught and reinforced across the school. Many opportunities for positive reinforcement are evident and consequences for inappropriate behaviours are clearly defined as being either Minor, and dealt with by staff, or Major, and referred to Administration. Bullying in any form is not accepted and all members of Calliope State School accept their responsibility to promote positive relationships and to prevent bullying. Procedures for responding to incidents of bullying are outlined in the school's Responsible Behaviour Plan for Students. The Chaplain is employed at the school two days per week and we continue to be resourced with a Guidance Officer for three days per week. We are supported by a school Adopt-a-Cop. Further partnerships are in place with the wider community, including Calliope Rotary Club, Calliope CWA and a range of additional community organisations.

### Parent and community engagement

Parents are encouraged to participate in their child's education by being involved in the many P&C Association activities and meetings, e.g. fundraising, tuckshop and supervising at school discos. In 2017 we held an Open Night, Book Week, end of term Principal's Parades, our first 'Country Carnival', Grandparents' Morning, classroom Celebrations of Learning and Christmas Concert. All of these functions were very well attended by parents and community members. Parents are also invited to various culminating activities and to volunteer in classrooms where possible. Parents and the community were also invited to forums with the principal to provide feedback on the operation of the school and report any concerns or positives about the school. Parent Information Sessions – Support-a-Reader, THRASS, Prep Induction, 1-2-3 Magic Positive Parenting program, How to Help Your Child with Homework, DD Code, PBL. The school chaplain facilitated termly 'Coping Cafe' sessions where parents were connected with school and external support services.

Parents are invited to attend formal interviews with their child's teachers in Terms One and Three, with other opportunities to discuss progress informally, or by appointment. A class newsletter is distributed at the beginning of each term to inform parents and caregivers about what can be expected in the term ahead. Community organisations are engaged to provide additional support/resources to the school. The school has an ongoing relationship with Calliope Rotary Club who have provided awards and prizes to recognise outstanding attendance and are actively engaged as mentors for Student Leaders. In 2017 Rotary supported the development of our 'bush tucker' and sensory garden. Gladstone Area Anglican Church organisation provides Friday Breakfast Club to our students each week.

## Respectful relationships programs

The school has developed and implemented a program/or programs that focus on appropriate, respectful, equitable and healthy relationships. Calliope State School utilises the Positive Behaviour for Learning (PBL) framework to deliver explicit lessons regarding positive relationships within and outside the school environment. Chaplaincy programs including Boys Unlimited, Shine and a range of other opportunities are available. The Friends program is delivered across Years 4-6. Fun Friends is used to support small groups of children requiring additional support in peer interactions.

### Description of how non-attendance is managed by the school

Non-attendance is managed in state schools in line with the Department of Education procedures, *Managing Student Absences and Enforcing Enrolment and Attendance at State Schools* and *Roll Marking in State Schools*, which outline processes for managing and recording student attendance and absenteeism.

Calliope State School expects that every student will attend school every day of the school year unless there is a satisfactory reason. Satisfactory reasons for being absent are:

- having an unavoidable medical or dental appointment
- being required to attend a religious or cultural holiday (with prior permission obtained from the Principal)
- being sick or having an infectious disease
- having to attend an urgent family event (e.g. funeral)

The Calliope State School attendance policy aims to ensure that all students are provided the best opportunity to learn by outlining attendance expectations. At Calliope State School we are committed to achieving an attendance rate of 94%. Rolls are marked twice a day, at 9:10am and immediately following second break. Students who arrive after the 9:10am bell or leave before the 3:15pm bell must be signed in or out by their parent or guardian. Student absences are followed up in the first instance by classroom teachers. Any unexplained absences of 5 days or more (or an identified pattern of absence) are referred to the Administration team for follow up. Parents receive a letter at the end of each term listing the term's absences and asking parents and guardians

to supply a reason for any unexplained absences. The Principal invites parents of students with continual or recurring absences to attend a meeting to discuss absences, before proceeding with the formal EQ letters.
