Our school strategies are showing substantial progress toward our targets

After reviewing our Great Results Guarantee agreement, it is clear that we have made progress toward our targeted student outcomes. We will continue to focus on maximising the benefits of this funding for our students, and adjust our strategies as needed to ensure every student succeeds.

Strategies implemented include:
- Delivering intensive daily literacy intervention programs for identified ‘at risk’ learners in Years One to Three;
- Maintaining schoolwide data capture cycles for reading, writing and numeracy to monitor all learners’ performance using PM Benchmark, NAPLAN Writing Marking Grid, Probe2, PAT-R, PAT-V, PAT-M with a focus on students below benchmark and increasing the number of students in the Upper Two Bands;
- Engaging SPELD for professional development in the area of Dyslexia and other Specific Learning Disabilities; and
- Providing extensive coaching and development for staff in the signature pedagogy of Explicit Instruction of Reading, Writing and Number.
